The Coconut Grove Theatre Festival is back April 16-19, 2026!

CGTFest is devoted to bringing theatre to life in its original Miami home, Coconut Grove. Over four days in May 2025, the inaugural Festival brought to life staged readings of original new works that will become the mainstage productions of years to come. In 2026, CGTFest returns April 16th-19th, and expands its audience to include our youngest theatre fans, with an original full-length children's play being added to the weekend's lineup of exciting new works by South Florida's theatre talent. Stay tuned at www.cgtfest.com and follow us on Instagram @cgtfest
